

14 December: Carol Service

The next Anglo Norse events is our traditional Carol Service in the historic city church St. Olave's in Hart Street with mulled wine and mince pies. History tells us that Queen Elizabeth I of England held a thanksgiving service here in 1554 on the day of her release from the Tower of London and the diarist Samuel Pepys was buried there in 1703. More recently King Haakon VII of Norway worshipped in the church during the second world war. Our first meeting is 2018, is a lunch at the Oxford & Cambridge Club on 1 February. More information about the lunch will follow in a separate email. Below are the details for the Carol Service. Looking forward to seeing you there.
